Each figure comes from a different role and period. They are not cumulative.

EXPERIENCE

March 2026 – Present

Regional Sales & Operations Manager, Energy & Charging

Roam Electric Limited

Leads regional revenue growth across electric vehicle and energy sales and operations.

- Oversees end-to-end regional performance: sales delivery, inventory, service operations, financial performance and infrastructure.
- Accountable for sales execution, operational efficiency, service reliability and cost discipline.

January 2025 – February 2026

BDM Lead, Energy & Charging

Roam Electric Limited

Led sales and business development across renewable energy distribution, EPC and e-mobility.

- Developed EV charging infrastructure: stations, software-as-a-service, C&I and residential solar PV, and battery storage.
- Secured and grew EV charging hubs and fast-charging points for Roam in the region.
- Managed stakeholder and partner relationships across e-mobility and renewable energy.

November 2023 – January 2026

Part-time / consultancy

Director, Marketing & Sales

Applied Principles Consulting

Marketing and sales leadership for a firm delivering cybersecurity, digital forensics, IT audit and managed security services.

- Part of the consultancy turnaround work described under Selected impact: sales revenues up at least 30%.

November 2023 – December 2025

Part-time / consultancy

Chief Commercial Officer

Power-Wiz Electro Limited

Commercial lead for GSM telecoms, electrical, mechanical and civil works, solar PV and water infrastructure projects in East and Sub-Saharan Africa.

- Part of the consultancy turnaround work described under Selected impact: sales revenues up at least 30%.

July 2021 – October 2023

Country Manager

ecoligo GmbH, Kenya

Ran ecoligo's East African business, taking solar leasing and PPA projects with commercial and industrial clients to signature.

- US$10M in recurring revenue over two years, from a record 25 new solar contracts in one year.
- Registered the Uganda subsidiary and secured US$6M in deals in its first year.
- Signed a 6MW C&I PPA with a steel company in Kenya, one of the largest of its kind.

March 2018 – June 2021

Head of Sales / Deputy Managing Director

Sagemcom Kenya Ltd

Set the business development and sales strategy for East Africa and led transformation in Grid Infrastructure Services.

- Grew market share from 10% to 22% through a new subsidiary in Uganda and projects in Tanzania and Zambia.
- Delivered US$10M+ in annual total contract value in the region.
- Structured and negotiated project financing for renewable energy projects.

October 2014 – February 2018

Principal Sales Specialist

Vodafone / Vodacom

Built the M2M and IoT sales business across East Africa through direct and partner channels.

- M2M revenues up 80% in East Africa.
- Award of Excellence: Best IoT/M2M Sales Person of the Year 2015–2016.
- Total sales revenue up 73.1%; distribution turnover up 51.1%; retail account base up 115%.

August 2012 – September 2014

Account Manager

Adrian Kenya Ltd

Account management, bids and business development with telecom operators and vendors across Sub-Saharan Africa.

- Formulated a go-to-market strategy that delivered consistent sales objectives.
- Grew sales 22% in Kenya and 38% in East Africa over two years.
- Set up subsidiaries in Uganda, Tanzania, Burundi and Mozambique.

November 2010 – July 2012

Commercial Manager

Mobiserve, Kenya

Commercial, business development and project management for telecom deployment work.

- Grew billed revenue 50% in the first year (34% in Kenya, 18% in Uganda and Tanzania).

July 2009 – October 2010

Sales Manager

Zote Telkom

Led sales of internet services, modems and SIM cards at the company formerly known as Net@home Wireless Networks.

- Acquired a portfolio of 500 accounts: corporates, SMEs, SoHos and residential.
- Built distribution and enterprise channels that grew revenues 60%.
- Set up the Mombasa branch, lifting revenues 26%.

May 2005 – June 2008

Partner Sales Representative

GlaxoSmithKline

Full-cycle sales of OTC and healthcare products.

- Grew the customer base 64% by opening new accounts across Kenya.
- Sustained monthly sales of KES 5M for the OTC and healthcare range.
